

Material Safety Data Sheet

Company : Biobizz Products
Grasdijkweg 18
9798 TC Garmerwolde
The Netherlands

Commercial name : Bio Grow

1.1 Chemical characterization: Beet extract
1.2 Form : Treacle substance
1.3 Colour : Brown/Dark brown
1.4 Odour : Sweet

2. Physical Data and Safety Data

2.1 Change in physical state: no data
2.2 Density : 06. - 1.1 kg/dm³
Bulk density : 600-1100 kg/dm³
2.3 Vapour pressure : NA
2.4 Viscosity : NA
2.5 Solubility : soluble in water
2.6 PH value : 5.5
2.7 Flash point : Not flammable
2.8 Ignition temperature : No data
2.9 Explosion limit : NA
2.10 Thermal decomposition : NA
2.11 Hazardous thermal
Decomposition products: NA
2.12 Hazardous reaction : NA
2.13 Further information : No

3. Transport UN no : No special precautions
IMDG code

Shipping name : Bio Grow

4. Regulations: Not dangerous

In case of contact with eyes, rinse with water and
Obtain medical advice if irritation persists.

Air contamination limits: No Data

5 Storage, handling and Protective measures

- 5.1 Storage : Store in a dry, cool place
- Handling : Use normal standards
- 5.2 Respiratory protection: No special precautions
- Eyes protection : Goggles
- Hand protection : Gloves
- Other : None
- 5.3 Industrial hygiene : No special precautions
- 5.4 Fire and explosion : Not relevant
- 5.5 Disposal : No special precautions

6 Measures in case of accidents and fires

- 6.1 Spillage disposal : May be washed away to drain or sewer, but observe all local legal requirements.
- 6.2 Extinguishing media : NA
- 6.3 First aid : In case of contact with eyes, rinse with water and obtain medical advice if irritation persists.
- 6.4 Further information : None
- 7. Toxicology : NA
- 8. Ecological effects : Vegetative growth stimulant and soil improver.
- 9. Further information : None

Every endeavour has been made to ensure that the information contained in this leaflet is reliable, but we cannot accept liability for any loss, injury or damage, which may result from its use. Data given in this DIN safety data sheet are solely for guidance in safe handling and use of the products by customers; they do not form part of any specification. If any difficulties arise, we shall be glad to discuss them. Customers are encouraged to conduct their own tests following discussion with our technical application management. The above information is based on experience, but it is always advisable for customers to satisfy themselves, by consultation with our technical application management and small scale tests if necessary, that the product which they have selected is suitable for their purpose under their conditions of use.
